

## *Saint Ann Maronite Church*

8 August 2014

Friends:

At the most recent meeting of the Lebanese Heritage Festival Committee, the chairpersons were all in full agreement that the biggest problem this year is the shortage of volunteers!

The remaining food preparation the week before the Heritage Festival, and the staffing and clean-up on the actual day (Sunday, September 14th, 2014) are going to require a large number of volunteer workers. We have seen a decrease in the number of volunteers on our food prep days recently as compared to prior years, and this is very troubling to us.

If we are to have a successful Lebanese Heritage Festival, we need your help! Please use the form below to sign up for a detail. This will be greatly appreciated.
